WELCOME TO THE FUTURE OF FOOD

The Revolution is Served.

Step into the future of food at the 3rd edition of India's most dynamic B2B event for the Food & Beverage industry. The Food & Beverage sector is undergoing a mega shift, driven by technology, consumer individuality, and stringent standards. From cutting-edge processing technologies, automated kitchens and smart packaging to emerging ingredients, packaging innovations, personalised nutrition and sustainable sourcing — innovation is reshaping every bite and sip.

The Food & Beverage Expo 2026 is your gateway to this revolution. Join us in Vijayawada for three dynamic days of discovery, networking, and business growth. This is more than an exhibition—it's the definitive platform to gear up to change the face of the food and beverage industry.

As a product or technology manufacturer, you face challenges from maintaining consistent quality to achieving decarbonization goals and optimising resource efficiency. You need a holistic approach to create a lasting competitive edge. Vijayawada is the perfect launchpad—connecting you to the vibrant and rapidly expanding market of Southern India.

The Changing Face of Food & Beverage

The Food & Beverage industry is undergoing a seismic shift. Automation, hygiene, sustainability, and personalisation are no longer optional—they're essential. Commercial kitchens are embracing smart systems, cloud kitchens are redefining service, and consumers are demanding transparency and innovation.

At Food & Beverage Expo 2026, you'll discover:

- ✦ State-of-the-art food processing and packaging technologies
- ✦ Smart kitchen automation and hygiene solutions
- ✦ Sustainable ingredients and eco-friendly packaging
- ✦ Insights into evolving consumer preferences and global trends
