AIRO Essentials Pvt Ltd

Designed for modern hydration.

At AIRO, we're reimagining hydration, challenging the ordinary and raising the standard for what water can do for your body and your day.

We combine clean, thoughtfully selected ingredients, essential electrolytes, and functional vitamins in natural, true-to-fruit flavours.

Equally important is what we leave out, no artificial sweeteners, no artificial flavours, and no added preservatives. At AIRO, refusing compromise isn't just a philosophy. From formulation to sourcing, we are committed to raising the bar for hydration every day.
